

Safety

Safety

Safety is central to the culture of Berkeley Lab. In CSD, our research routinely involves the use of hazardous chemicals, high-powered lasers, radiological materials, and radiation-generating equipment. That is why “Uncompromising Safety,” one of Berkeley Lab’s five core values, is especially important to us and informs all the work we do.

Emergency Reporting Contact Numbers

Emergency Reporting		
Life-Threatening Event 24/7		
Lab and Cell Phone:		x911
Off Site Locations:		x911
Non-Emergency Reporting		
Non-Life-Threatening Event 24/7		
Lab Phone:		x6999
Cell Phone:		(510) 486-6999
Off Site:		(510) 486-6999
Urgent Radiation Protection Group Assistance		
Non-Life-Threatening Radiological Lab Event 24/7		
Lab Phone:		x7277
Cell Phone:		(510) 486-7277
Off Site:		(510- 486-7277
Security 24/7		
Blackberry Gate		x5472
Emergency Operations Center		X6666 (510-486-6666)
Emergency Status Information for Employees
